Spanish

What's the weather
today?

Whole class reading

Bill's New Frock

Music

Finish this – a composing
project

Art

Painting

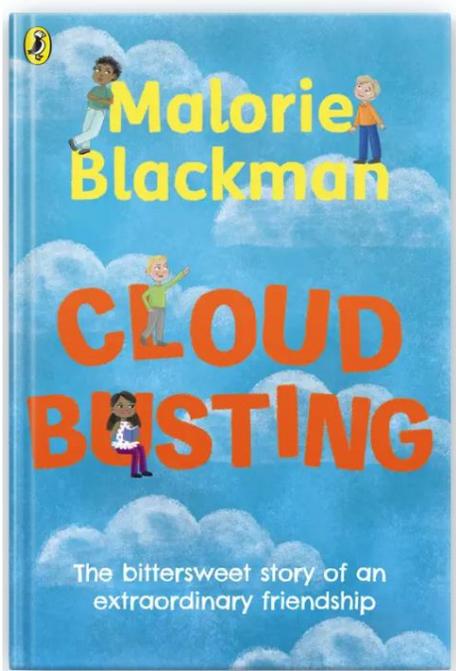

Computing

Data and information:
data logging

PE

Physical Literacy
Football

Class novel

Ways to help out at home

Reading – Read at home as much as possible, with, and to, your child. For the greatest gains, your child needs to be reading at home EVERY DAY! Occasionally, re-read texts or part of texts – this helps fluency and understanding.

Writing – Practice the art of persuasion, just verbally. See if you can persuade each other to do interesting, unusual or funny things: what kind of language do you need to use?

Tea time talk (Oracy) - What happened in your class novel today?

Maths – Practise all of the times tables learned in Y4. Quiz your child daily for 5 minutes to help them retrieve these important facts. Log on to [timestable.co.uk](https://www.timestable.co.uk) for lots of ways to practise!

PSHE – Discuss the similarities and differences between families.

Science – this is for KS3, but most of the content here is appropriate and accessible for what we will be covering - <https://www.bbc.co.uk/bitesize/articles/zgbddp3>

Day	Weekly events
Monday	Library time for J5 & J6 PE for all classes
Tuesday	Library time for J4
Wednesday	Singing assembly
Thursday	PE for all classes (no more swimming)
