

Year 4 Summer 2 Curriculum Overview

Writing

Writing to persuade –
health & fitness

Writing to inform –
Design your own inventor

PSHE

Physical health
SRHE – What are body parts?

Maths

Time
Shape
Position and direction
Statistics

Science

Electricity

History

Anglo-Saxons, Vikings and Scots

RE

Islam
Why are festivals important?

Whole class reading

Bill's new frock – Anne Fine
The Iron Man – Ted Hughes

Music

Finish this – composition project

Design and Technology

Circuits and switches

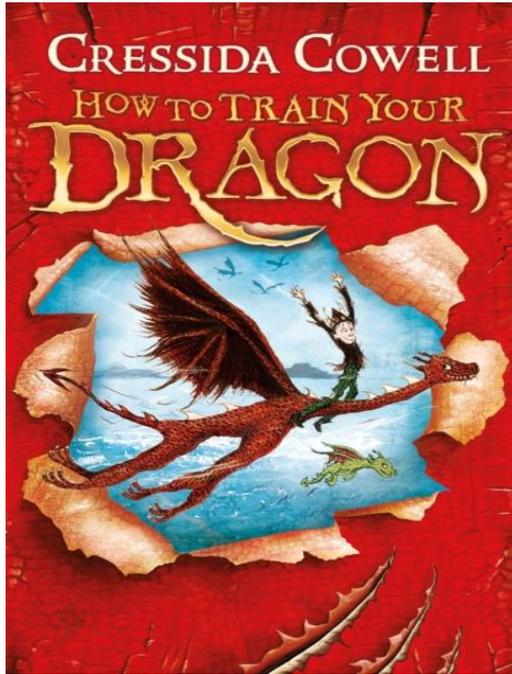

Spanish

Days of the week, dates, weather

PE

Athletics
Cricket

Class novel

Ways to help out at home

Reading – Read at home as much as possible, with, and to, your child. For the greatest gains, your child needs to be reading at home EVERY DAY! Occasionally, re-read texts or part of texts – this helps fluency and understanding.

Writing – Practice the art of persuasion, just verbally. See if you can persuade each other to do interesting, unusual or funny things: what kind of language do you need to use?

Tea time talk (Oracy) - What happened in your class novel today?

Maths – Practise all of the times tables learned in Y4. Quiz your child daily for 5 minutes to help them retrieve these important facts.

PSHE – Discuss the similarities and differences between families.

Day	Weekly events
Monday	Library time for J4 Headteacher assembly
Tuesday	Library time for J6
Wednesday	Library time for J5 Singing assembly
Thursday	No more swimming! PE for J4, J5 & J6.
Friday	PE for J4, J5 & J6. Celebration assembly – bookmarks and achievements.

Key dates:

Weeks 1 and 2 of next half term will see the Y4 children doing their multiplication tables check. In week 1 they will do their 'try it out' check, and in week 2 they will take the test. The children have done a great job this year of learning their times tables, but some last minute practice would still be highly recommended!

1/7/25 – Reports home

2/7/25 – Sports day

9/7/25 – Meet your new teacher afternoon
