

21st October 2025

Dear Parent/Carer,

Play Padel Sheffield After-School club

**Mondays, 3:30-4:30, Abbeydale Tennis Club, Abbeydale Rd S,
Sheffield S17 3LJ.**

I'm delighted to announce that the Padel After-school club can will be coming back in September. The 4 sessions will run from November 17th 2025 – December 8th 2025. The sessions will be held at 3:30pm-4:30pm every Monday at Abbeydale Tennis Club, Abbeydale Rd S, Sheffield S17 3LJ.

What is padel? Padel is a mix between tennis and squash, played on an enclosed court. It's easy to learn and highly social, making it great for all abilities.

The club will be open to all pupils in Years 3 – 6. The price will be £13.00 per pupil for an hour, this will include free racket hire, balls and entry. Parents will have to transport their own children to the Padel club ready for a 3:30pm start - an early pick up from the school reception at 3:00pm will be allowed to facilitate this.

The total cost for the sessions is £52.00 (to be paid for in full before Monday 3rd November).

For children in receipt of free school meals this club will be £26.00. Please indicate this on the online form. If difficulty in paying for this club would prevent your child from attending, please contact the school office directly. All enquiries will be dealt with in the strictest confidence.

Children are taking part in a coached session (led by Esther) and should come to school in their PE kit and bring a water bottle. We are limited currently to 8 places and you will be able to pay via Parent Pay. Adults/Parents/Carers will have to stay on site and courtside.

This will be a fantastic experience and we have been the first school in Sheffield to take up this opportunity over this academic year. Due to the popularity of Padel this might be a way to access the Padel Club at a reduced price and trial what is a fantastic programme in a fantastic setting.
