Ways to help out at home

Reading – Read at home as much as possible, with, and to, your child. For the greatest gains, your child needs to be reading at home EVERY DAY!

Writing – A Letter from the Future: You receive a letter from your future self. What advice does it give you, and how do you respond?

Team time talk (Oracy) – Ask your family members to share a story from their childhood. How was life different for them, and what lessons can you learn from their experiences?

Maths – Practise short division using a formal written method.

History – Watch Newsround <https://www.bbc.co.uk/newsround/54356053>

Science – Google *BBC Bitesize Lifecycles KS2* to learn all about the topic.
