

Dear School Swimming Contact,

Here are your 2014/15 Swimming results and the subsequent analysis of them so you can share the information with your colleagues. We have changed the graphs this academic year to show more detail on the progress your children are making. In previous years we have reported on the Y4 average. This academic year there has been an increase of non Y4 classes attending school swimming, therefore the 2014/2015 service average includes all classes from Infant, Junior, Primary and Special schools.
